To Whom it May Concern,

Village Health Project will be holding its annual Golf Fore Clean Water on Sunday, September 30th, 2018 at University Ridge in Madison, Wisconsin.

Village Health Project is a registered 501 (c)(3) non-profit and student organization run by students, former students, and faculty at the University of Wisconsin-Madison. Village Health Project focuses on providing education, improved sanitation, nutrition, and empowerment to our partner community in Lweza, Uganda. Founded in 2005, Village Health Project has spent the last thirteen years finding unique ways to fundraise, while providing outreach and education to the Madison community.

We would like to invite you to help make this event successful by donating an item or gift certificate to our event raffle. Your donation and support would be greatly appreciated and will make quite an impact on our annual golf outing.

All donations would be tax deductible to the extent allowed by law. Our tax ID number is 20-2753369. On behalf of Village Health Project, I would very much appreciate your engagement and hope you will consider our request.

Sincerely,

Kim Isely
Executive Director
